## ICPP-10 Handbook and JPP "Grant" Programme

Effective immediately, the Society of Porphyrins and Phthalocyanines (SPP) and World Scientific Publishing Company (WSPC) will be offering ICPP-10 participants grant vouchers of \$75 to \$3500 to assist them in attending the meeting.

### How are the vouchers earned?

Purchase or successfully recommend purchase of following items between **October 15, 2017** and **June 15, 2018**:

1. A new Institutional Library Subscription to Journal of Porphyrins and Phthalocyanines (JPP) (entitled to \$350 grant voucher) <http://www.worldscientific.com/page/jpp/prices>
2. Any five-volume set of Handbook of Porphyrin Science, at web-listed price (entitled to \$350 grant voucher) <http://www.worldscientific.com/series/porsci>
3. "Mix-and-match": Any single volume of Handbook of Porphyrin Science (choose from Vol.1 to 35), at web-listed price (entitled to \$75 grant voucher) <http://www.worldscientific.com/series/porsci>

### How many vouchers may be earned per participant?

There is no limit. For example, the purchase of a single Handbook volume would generate a \$75 voucher, while purchasing nine Handbook sets (e.g. Volumes 1-44) and one new Institutional Library Subscription to JPP would generate a \$3500 voucher.

### How may the vouchers be used?

These may be used for any ICPP-10-related activity. Examples include registration of students, speakers and accompanying persons, banquet tickets, food packages, SPP dues, hotel payments and travel to or from the meeting.

### What proof of purchase and/or proof of recommendation will be needed?

To recommend a purchase, send a copy of the form on the following link to your library <http://bit.ly/recommend-jpp> ...or as proof of purchase, fill in the **proof of purchase form** (the PDF attached to this mail) and send to the SPP Office at [spp@spp-jpp.org](mailto:spp@spp-jpp.org).

### How and when will the voucher(s) be distributed?

Vouchers for reimbursement of ICPP-10 registration-related expenses will be paid directly to the meeting, on behalf of the recipient, in a timely manner. Payments for reimbursement of travel or hotel expenses will be distributed by SPP at the meeting.

### Who verifies that the purchase was actually made and who handles questions?

This will be done by the SPP Office: [spp@spp-jpp.org](mailto:spp@spp-jpp.org).

### Can vouchers be transferred to others?

This is not a problem and can be handled when completing the reimbursement form.
